Park City Communities Housing Choice Voucher
Participants and Landlords

RE: Housing Assistant Payment (HAP) and Utility Allowance Payment (UAP) Delays

To whom it may concern:

This is to formally advise that Park City Communities has recently gone through a conversion of our operating system. Unfortunately, as a result of this conversion, there may have been discrepancies on many accounts. This has resulted in delayed HAP and UAP disbursements.

Please be advised that we are working diligently to correct this issue, and sincerely apologize for any inconvenience this may have caused. We ask that you check your records to assure all payments have been received. If you have any questions or experienced payment delays, that have not been resolved, please email section8@parkcitycommunities.org or contact the Housing Choice Voucher Office at 203-337-8979

Thank you for your patience and continued commitment to Park City Communities Housing Choice Voucher Program.

Regards,

James Slaughter
Interim Executive Director
